APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A standard headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One cubic foot per second.

Actual construction work shall begin on or before June 30, 1920.

Proof of commencement of work shall be filed before July 30, 1920.

Work must be prosecuted with reasonable diligence and be completed on or before July 30, 1920.

Proof of completion of work shall be filed before August 30, 1920.

Application of water to beneficial use shall be made on or before October 30, 1925. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 30, 1925.

WITNESS MY HAND AND SEAL this 30th day

Proof of labor filed JUL - 8 1920

of March, 1920.

Proof of completion of work filed NOV 22 1920

Cancelled: 12-1-27 because of failure of applicant to comply with provisions of permit
